

**HILLCREST BAPTIST CHURCH – COUNSELOR and/or PARENTAL COVENANT  
MYTI OAKS DAY CAMP**

In an effort to foster a loving, safe environment for all children, I commit to the following:

To get to know my child’s CAMP COUNSELORS and other adults in supervisory roles, so that I am familiar by face and name.

To follow all requests of MYTI OAKS DAY CAMP staff and supervisory volunteers.

To understand that the safety of our children is dependent on everyone playing by the same rules and making an extra effort to accommodate requests made of them.

To always escort my non-driving, minor children to and from the designated HBC program/ministry location. I agree that a child should not be dropped off outside the building or left at the door.

To only bring my child to HBC functions (or allow them to attend) when “well” as defined by the HBC “Well Child” Policy.

To complete a **Registration Card** for each child noting any special health concern or needs that my child has, in addition to, appropriate contact information.
